WHAT IS LOVING CARE OF SOUTH CAROLINA?

Loving Care of South Carolina, LLC is a private service which supplies sitters and Certified Nursing Assistants for complete care of the ill and disabled. Whether the need is due to recent illness or hospitalization, rehabilitation, or just the need to have companionship for safety and security, we will do all in our power to help.

Our mission is to provide consistently high quality care on a regular basis. We provide nursing assessments as indicated, communicate with the physician when necessary, provide light housekeeping and meal preparation for our clients.

Most of the aging or ill population just need help in some areas. Most do not want or need an over abundance of nursing care by registered nurses. Our staff sitters, Certified Nursing Assistants, and our Licensed Nurses are committed to providing the quality of care you deserve and should be able to expect for home care agencies. Our staff is bonded and we carry liability insurance. We have a four hour minimum, but can cover up to 24 hours a day, 7 days a week 365 days a year!
